PARENT WAIVER FORM

For years we have been concerned with the increasing issues facing our youth in the community. In an attempt to curb the temptations of “town,” we are now asking parents of middle school students to sign a waiver that would either continue to give your child the ability to come and go to the youth center or to stay on our property at all times. There is a third option, in which you can fill in your own request. However, please understand that the only situation we can assure you that your child will be supervised is when they are here.

In order to best accommodate your family, please alert us of any future changes in your decision.

Thanks for your continued support.
